VISION, MISSION & ONE HEALTH COMMITMENT

OUR VISION

To position Pakistan's veterinary pharmaceutical industry as a globally competitive, innovative, and sustainable sector by advancing animal healthcare strengthening food safety, promoting scientific excellence, and contributing to national economic growth and public health.

OUR MISSION

To represent, promote, and protect the interests of Pakistan's veterinary pharmaceutical industry by encouraging innovation, supporting research and development, advocating science-based regulatory policies, and fostering collaboration among industry stakeholders, regulatory authorities, and national and international partners. PVPA is committed to improving access to quality veterinary medicines strengthening animal disease prevention, and promoting responsible pharmaceutical practices for healthier and more productive livestock, poultry and companion animal sectors.

OUR COMMITMENT TO ONE HEALTH

Healthy People · Healthy Animals · Healthy Environment The Pakistan Veterinary Pharmaceutical Association (PVPA) strongly believes in the One Health approach, recognizing that human health animal health, and environmental health are closely interconnected and essential for a sustainable future.

1. Human Health: Protecting public health through safe food production, prevention of zoonotic diseases, and responsible use of veterinary medicines.
2. Animal Health: Advancing animal welfare, disease prevention, and access to safe, effective, and innovative veterinary healthcare solutions.
3. Environmental Health: Encouraging sustainable pharmaceutical practices, responsible antimicrobial use, and environmental protection for future generations.

By strengthening collaboration among veterinary professionals, pharmaceutical industries, healthcare institutions, regulatory authorities, and environmental stakeholders, PVPA strives to build a healthier safer, and more sustainable future.

ONE HEALTH – ONE WORLD Connecting Human, Animal & Environmental Health for a Sustainable Future.

Dr. Asim Mahmood Khan
Chairman PVPA
IVP-2027

On behalf of the Pakistan Veterinary Pharmaceuticals Association (PVPA), it is my immense honor and pleasure to extend a warm welcome to all participants exhibitors, and visitors from across the globe to the International Veterinary Pharmaceuticals Expo (IVP-2027).

The global veterinary pharmaceutical industry stands at a pivotal juncture, facing shared challenges of animal health security, food safety, and sustainable production. Events like IVP-2027 are not merely exhibitions; they are vital crucibles for innovation collaboration, and the exchange of knowledge that will shape the future of animal healthcare worldwide. We believe that animal health leads to human health, and food safety is the responsibility of the agro-livestock industry. This guiding principle drives our collective mission to ensure a healthier, safer, and more sustainable future.

Pakistan's veterinary pharmaceuticals sector has emerged as a dynamic and robust force renowned for its commitment to quality, efficacy, and affordability. Our members-leading manufacturers and innovators-adhere to stringent international standards, producing a comprehensive range of products from vaccines and antibiotics to feed additives and modern biologics. We have made significant strides in serving not only our substantial domestic livestock and poultry market but also in exporting high-quality, WHO-GMP compliant medicines to over 60 countries across Asia, Africa, and the Middle East.

This catalogue showcases the ingenuity and capability of Pakistan's veterinary industry. We invite you to explore the offerings of our member companies and discover potential partnerships that are built on reliability, scientific advancement, and mutual growth. The PVPA is deeply committed to fostering an environment that encourages foreign investment, technology transfer, and joint ventures to further elevate our collective capacity to combat animal diseases and enhance productivity.

We believe that the key to a healthier future for both animals and humans lies in global cooperation. Let IVP-2027 be the platform where we strengthen old bonds and forge new ones, share insights, and collectively embark on a path toward a more resilient and prosperous world.

We wish you a productive and inspiring experience at the expo.

Dr. Masud Sadiq Ch

DVM, MSc Precision in Animal Health
MBA Chief Organiser, IVP-2027
Pakistan Veterinary Pharmaceuticals Association (PVPA)

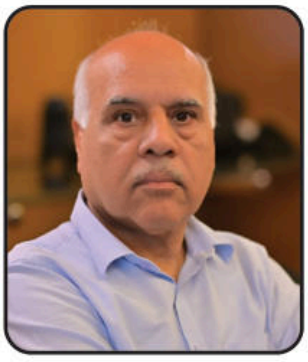

It is my privilege to welcome you to IVP-2027, the International Veterinary Pharma & Animal Health Expo, taking place from 27–29 April 2027 at Expo Centre Lahore Pakistan. Organised by the Pakistan Veterinary Pharmaceuticals Association (PVPA) IVP 2027 aims to bring the animal-health community together on one platform to connect innovation technology, knowledge, regulation and business.

The Expo will bring together veterinary pharmaceuticals and biological companies manufacturers, distributors, importers, exporters, veterinarians, regulators researchers farmers, investors and international participants. For exhibitors, IVP-2027 offers opportunities to showcase products, meet potential buyers, explore new markets and develop business partnerships. For visitors, it provides a platform to discover innovative solutions, connect with industry leaders and explore new technologies and business opportunities.

Pakistan's livestock and poultry sectors play a vital role in our economy and food security. Their sustainable growth requires scientific advancements in animal health responsible use of veterinary medicines, improved diagnostics, biosecurity and stronger collaboration among industry, academia, regulators and producers.

IVP-2027 is designed to facilitate meaningful B2B engagement, international market access, regulatory dialogue and lasting business connections. Its success will be measured not only by participation but by the partnerships, knowledge and opportunities it creates. On behalf of PVPA, I sincerely thank our exhibitors, sponsors international participants, government and regulatory institutions, professional associations, media partners, universities, farmers and all stakeholders for their valuable support.

I invite you to join us in Lahore and make IVP-2027 a platform for innovation collaboration and business growth. Meet Buyers. Discover Technology. Build Partnerships. Generate Business. I look forward to welcoming you to IVP-2027.

Dr. Khalid Iqbal
Vice Chairman
PVPA (SR)

Dr. Khalid Iqbal is a qualified veterinarian with over three decades of dedicated service to Pakistan's livestock industry. He holds a Doctor of Veterinary Medicine and an M.Sc. in Veterinary Microbiology from UVAS, Lahore. He has been serving as the Chief Executive Officer and Managing Partner of Orient Traders International since 1999 playing a key role in its development and success. In 2015, he expanded his professional portfolio through the acquisition of Chakwal Pharma International where he also serves as Managing Partner. He is presently the Vice President (South Zone) of the Pakistan Veterinary Pharmaceuticals Association.

Mr. Shoaib Amjad
Deputy Chief Organiser IVP-2027
Vice Chairman North Region
Pakistan Veterinary Pharmaceuticals Association (PVPA)

It is an honour to be part of IVP-2027 – International Veterinary Pharma & Animal Health Expo, scheduled for 27–29 April 2027 at Expo Centre Lahore, Pakistan.

This prestigious event will bring together leading manufacturers, industry professionals suppliers, and stakeholders to explore new opportunities, strengthen business connections, and promote innovation across the veterinary pharmaceutical and animal health sectors.

I warmly invite you all to participate in IVP-2027 and contribute to making this landmark event a great success.

INVITATION TO IVP-2027: CONNECTING THE ANIMAL HEALTH INDUSTRY

On behalf of the Pakistan Veterinary Pharmaceuticals Association (PVPA), I am pleased to extend my warm greetings to all distinguished guests, exhibitors, industry leaders and stakeholders associated with the veterinary pharmaceuticals and allied industries.

PVPA remains committed to the betterment, growth, and development of Pakistan's veterinary pharmaceuticals sector. We believe that collective efforts, innovation modern technologies, and strong industry collaboration are essential to improving animal health enhancing livestock productivity, ensuring food security, and contributing to the country's economic progress.

With this vision, PVPA is organizing the International Veterinary Expo (IVP-2027), a significant initiative aimed at strengthening the veterinary pharmaceutical industry promoting business opportunities, encouraging investment, and fostering collaboration among national and international stakeholders.

Our objective is not merely to organize an exhibition but to establish a meaningful platform that supports the advancement of the industry, facilitates knowledge sharing showcases innovative products, and creates new opportunities for sustainable growth.

We warmly invite all veterinary pharmaceutical companies, allied industries professionals, and stakeholders to join us in this collective effort for the betterment of our sector.

I sincerely appreciate the continued support of PVPA's leadership, Executive Committee members, organizing team, and industry partners. With our collective commitment and cooperation, I am confident that IVP-2027 will contribute significantly to the progress of Pakistan's veterinary pharmaceutical industry. Let us work together to strengthen our industry, advance animal health, and build a brighter and more prosperous future for Pakistan.

I look forward to welcoming you all to the International Veterinary Expo (IVP-2027) taking place from 27th to 29th April 2027 at Expo Centre Lahore, Pakistan.
